PROJECTS

The Game Awards *PHP, HTML, CSS, jQuery, Javascript, XAMPP*

<https://github.com/niklierik/TheGameAwards>

It is a project for school about The Game Awards made with one of my friends.

Heroes of Might and Magic - Duel *Java, Swing*

<https://github.com/niklierik/HoMMCopy>

Another school project. The task was to recreate the fighting system from the famous strategy game called Heroes of Might and Magic.
