PROJECTS

The Game Awards *PHP, HTML, CSS, jQuery, Javascript, XAMPP*   https://github.com/niklierik/TheGameAwards
It is a project for school about The Game Awards made with one of my friends.

Heroes of Might and Magic - Duel *Java, Swing*   https://github.com/niklierik/HoMMCopy
Another school project. The task was to recreate the fighting system from the famous strategy game called Heores of Might and Magic.
